La guida Arjo per architetti e progettisti

Creare ambienti di cura che:

- Facilitano la routine assistenziale rendendola efficace ed ergonomica
- Si possano adattare alle mutevoli esigenze dei pazienti e del personale.

La nostra filosofia: Empowering Movements

Guide for Architects
and Planners**

Thank you.

At Arjo, we are committed to improving the everyday lives of people affected by reduced mobility and age-related health challenges. With products and solutions that ensure ergonomic patient handling, personal hygiene, disinfection, diagnostics, and the effective prevention of pressure ulcers and venous thromboembolism, we help professionals across care environments to continually raise the standard of safe and dignified care. Everything we do, we do with people in mind. www.arjo.com
